

## Displaying our cakes (updated September 2009)

This is a brief guide to buying things to help you display our cakes. We have used and like all the items featured here.

Where we can, we have indicated at least one way of buying the item in question. There are usually a number of other stockists. *There are 3 pages.*

Please be reassured that we get **absolutely no commission** from any of the companies mentioned. Our suggestions are based entirely on what we think works well and looks good with our cakes. If you have any questions, call us on 01628 770908 or email us on [sales@handmadecake.co.uk](mailto:sales@handmadecake.co.uk)
